

Informed Consent

Janna Flower, MA LPC

I, the client/guardian, understand I have a right not to sign this form. I understand I can choose to discuss my concerns with you, the therapist, before the start of therapy. If at any time during the course of therapy I have questions about any of the subjects discussed in the accompanying documents, I can talk with you about them, and you will do your best to answer them. I also understand that any of the points in these documents are open to change. If that happens, I have been informed that the changes will be reviewed, and I will be given the opportunity to receive a written copy of the changes and be provided with another opportunity for agreement.

I understand that after therapy begins, I have the right to withdraw my consent to therapy at any time, for any reason. However, I will make every effort to discuss my concerns about my progress before ending therapy.

Initial Fee per session (subject to change): _____

I have received a copy and agree to the contents of the following documents:

- Information for Clients
- Notice of Privacy Practices

I have read the issues and points in the accompanying documents. I have discussed those points I did not understand, and have had my questions fully answered. I hereby agree to enter into therapy with this therapist, and to cooperate fully and to the best of my ability, as shown by my signature here.

I, the therapist, have met with this client for a suitable period of time, and have informed him or her of the issues and points raised in the above listed documents. I have responded to all his or her questions. I believe this person fully understands the issues, and I found no reason to believe this person is not fully competent to give informed consent to treatment. I agree to enter into therapy with the client, as shown by my signature here.
